# Pop Airplay Tip Sheet: KEY

LW = Last week's chart position  
# = This week's chart position

## Color coding:

**Green** = Gaining significantly in score  
**Red** = Decreasing in score, or flat  
**Purple** = Significant due to being #1, being new this week, or showing great gains  
**Grey** = Recurrent songs listed among current songs  
**Brown** = Reserved for songs older than a year or two

**Pop** = "X": Radio airplay detected at mainstream pop stations  
**Hot** = "X": Radio airplay detected at Hot AC (adult pop-leaning) stations  
**Rhy** = "X": Radio airplay detected at rhythmic-leaning pop stations

**Other Formats:** Radio airplay detected at stations of other named types:

- Country
- Urban (hip hop-focused; this is an older industry term)
- R&B (adult-leaning Urban stations)
- Dance
- Alternative
- Active Rock (traditional hard rock)
- AAA (Adult Album Alternative; mellow alternative, folk, and indie pop)

**#1, #2, #3 Gainer:** The biggest gainers, counted only until they break into the top 15.

**Recurrent:** Older songs that have settled into ongoing pop radio rotation.

**HOT:** Greatest gainers this week that have not yet charted.

**Graduate:** Moves from one chart to another, indicating an expanding influence.

**Peaked:** Previously appeared in the top 50 chart and climbed as high as the indicated position.

**Stiffing Out?:** Songs showing losses for two or more consecutive weeks without achieving Recurrent status. Songs marked in red on the Second-Tier Recurrents list are fading faster than the others.

**Spin It and See!:** Songs showing modest gains at mainstream pop radio in the past few weeks. Date indicated is when the song first appeared on this list.

**RE:** Re-entering the chart after some time away.

**Top radio hits without pop airplay:** Chart-topping songs from Country and Rock-based formats that have not crossed over to pop.

**New Music Friday on Spotify:** The 10 songs first listed on Spotify's popular weekly playlist. Previous weeks are also shown by date.

**Streaming currents with little or no pop airplay:** New songs on the Spotify and Shazam charts.

**Streaming classics:** Songs more than a year old with significant streaming numbers this week.

**Second-Tier Recurrents:** Older recurrents that have fallen below the top 50 chart. Other Formats are no longer shown here.
